A Report Of Tree Plantation Programme Arranged At Siddhant Group Of Institute.

Siddhant Institute of Business management presents one day event on Tree plantation On 14th December 2021 Our College has successfully completed the event of tree plantation at SGI. Trees are the most important source of producing the oxygen in the environment, they help to reduce the level of carbon dioxide gas in the atmosphere. As we all know that the whole world is facing the problem of global warming & to recover from such a problem, planting trees has become one of the most important aspects today.

President Mr. R.S. Yadav & Vice president Mrs. Rekha Yadav took initiative for the tree plantation programme. They shared a few words about the importance of trees in the environment with the students. They planted plants in the surrounding area & also watered the plants.

Under the guidance of Assi. Prof. Surekha Ningule (a programme coordinator), Volunteers planted more than 30 trees. The students also placed bricks as barricades and each student took the responsibility to nourish and maintain the allocated plant. Eventually, the ground attained a glorious look. The committee decided to proceed with the same inspiration, enthusiasm & zeal to enhance the beauty of the college campus.

This was under social responsibility. This move was highly regarded and appreciated by the management of C.Y.M.E.T.'s. Siddhant Institute of Business management. This staff member of SIBM was present for this event and planted the trees. The students of SIBM were present for this event and planted the trees, they actively involved in digging the soil and planting the trees on the occasion of this event.

For this programme was coordinated by Prof. Surekha Ningule along with Prof. Smita Sonawane, Prof. Dashrath Gaikwad,

The list of other dignitaries present for the occasion is attached with the report for ready reference.
