Siddhant Institute of Business Management is an affiliated institute to Savitribai Phule Pune University. SIBM adhere to the educational programme created and implemented by the affiliated university. The Siddhant Institute of Business Management will adhere to the curriculum as and when the university develops it or makes it available in order to implement the multidisciplinary/interdisciplinary structure of the New Education Policy. The campus of SIBM has significant resources to implement Multidisciplinary / interdisciplinary courses. However, unless and until SPPU establishes rules in this respect, it is difficult for SIBM to describe multidisciplinary/interdisciplinary preparation at this time.

16.Academic bank of credits (ABC):

The draft of NEP had provisions for an academic bank of credit that would have allowed for many ports of entry and departure for students' academic programmes. To earn and deposit credit through national programmes like SWAYAM and NPTEL is a creative concept. It will also be taken into account for credit accumulation and transfer purposes under this clause. Through this, students will be able to gain credits and finish the programme. In this regard, the Savitribai Phule Pune University's curriculum and structure should be followed by the Siddhant Institute of Business Management. SIBM intends to put it into action.

17.Skill development:

Siddhant Institute of Business Management is an affiliated institution, as was already indicated, and does not enjoy creating and executing its own curriculum. It must adhere to the Savitribai Phule Pune University's curriculum. In terms of skill development, SIBM is able to provide certificate programmes in business management and planning to do so.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

India should place a high focus on preserving and promoting its rich cultural heritage since it is crucial to both the country's identity and its economy. SIBM has the chance to create human resources that are aware of the Indian knowledge system.

Ethos, in its most basic sense, refers to the values that shape a person, a group, or an organisation. An individual or group's "ethos" refers to a set of beliefs, notions, etc., concerning their social interactions and relationships. What may be referred

Page 9/130 08-09-2023 02:50:40

to as "national ethos" is the focus of Indian Ethos. The term "Indian ethos" refers to the values of self-management and governance of a community, an organisation, or a system by knowledge as revealed and brought-forth by major scriptures like the Veda, Upanishads, Gita, Mahabharata, Bible and Quran.

This wisdom has been discovered to have important consequences for self-management and effective governance of the community and commercial environment, or even a politically divided globe. It originated via the ancient practices of Indian mystics, philosophers, and religious 'gurus'. "Indian ethos serves ideas of honesty, integrity, and morality," claims Swami Vivekananda. India's social structure, culture, and religions serve as the foundation for our national ethos.

In order to help students learn about Indian culture values, the Savitribai Phule Pune University has added a course named "Indian Ethos and Business Ethics" to the fourth semester of the MBA programme. So that students would uphold the ideals they have learned in the corporate world.

19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):

The revised MBA Curriculum 2019 builds on the implementation of the Choice Based Credit System (CBCS) and Grading System initiated in the AY 2013. The curriculum takes the MBA programme to the next level in terms of implementing Outcome Based Education along with the Choice Based Credit System (CBCS) and Grading System.

20.Distance education/online education:

Siddhant Institute of Business Management follows the norms of Savitribai Phule Pune University. We SIBM focus on classroom teaching and training. As per SPPU guidelines students having option to complete MOOCs course.
