The Alumni Feedback 2022-23.
These are some of the opinions that our passed out students have expressed for the institute.

Opinion given by the Student.	I have completed by graduation from this college. Very supporting teachers and they provided proper guidance. Currently I am working as an assistant manager in Mahindra & Mahindra. Thank you SCOE.
	Good profile job and company
	Teaching faculty is more supportive
	This institute helped all of us to enhance our engineering career and teaching staff helped us to complete this journey smoothly even in CORONA days.
	Throughout my career as an experienced professional, I have had the opportunity to work on numerous impactful projects and achieve significant milestones.
	Teaching staff is very good and friendly helpful staff
	Promoted Engineer Grade to Manager Grade
	Very Good to enhance technical skills in professional life
	One of the greatest achievement in my life
	I m working at IQVIA MNC company
	All Teaching staff supporting and Good.
	Hands on lab practical helped me for being technically strong in my professional Career.
	BIM (building information modeling).
	I'm working as a Software Engineer in Accenture since 2.5 years. When I was a fresher I got selected in 3 organisations which are IBM, Infosys and Accenture. Being fresher at that time and getting selected by these top 3 MNC's was my great achievement.
	Looking forward for an Alumni meet.
	I've been promoted to Senior Project Manager, Vehicle integration group for Gen4 Born EV P1. Project at Tata JLR in AME (Body in White) domain post passing this B. Tech Degree in Mechanical
Achievements in sports..	
Senior Officer at skoda volkswagen	
I m currently working in TCS before this worked in Capgemini as SAP ABAP developer.	
Yes it will be beneficial to career a head

IQAC-Cluster

Collaborative Quality Initiatives with Other Institutions

About The Cluster.

The Cluster for Internal Quality Assurance Cell of Siddhant Group of Institution is a group of IQAC coordinators from four colleges of the Siddhant Group who took an initiative to work for Quality insistence, maintenance, Promotion, assurance and to encourage a Quality culture at the campus.

The colleges to be part of cluster are__

1. Siddhant College of Engineering.
2. Siddhant Institute of Business Management.
3. Siddhant College of Pharmacy and
4. Siddhant College of Management Studies.

Objective of the Cluster.

- To create a neighbourhood assistance to the IQAC coordinators by creating a network of trained force.
- To create an awareness about the processes and procedures of IQAC for creating a healthy work culture.
- To standardize the procedures and processes of IQAC to segregate different activities of Quality Assurance, quality control, and quality planning.

Methodology of the Cluster.

To facilitate and help sharing the details of Quality Assurance activities from these institutes to enrich the quality culture of the group as whole. It is a group which is dedicated to discussion on issues such as IQAC, NAAC and areas of higher education.

Proposed Outcomes:

- Coordination of all the IQAC in-charge to adhere to the Vision & Mission of the Siddhant Group.
- Enriching and analysis of SSR before it is sent to NAAC.
- Standardized the procedures and processes of IQAC to segregate different activities of Quality Assurance, quality control, and quality planning.
- The cluster is working for enrichment of the processes and procedures of IQAC for creating a healthy work culture at academic institutions.
- Faculty Development programs (FDP) for IQAC coordinators and IQAC personnel, ☑ Special workshops for Principals.
- Pre-NAAC visit guidance.
- Academic and Administrative Audits about methodology of filing and a complete guidance about NAAC accreditation process.

Subject: Delivering Keynote Speech for the workshop on 'Outcome Based Education'.

Dear Sir,

Siddhant College of Engineering, is a pioneer institute known for imparting quality and professional education in the field of Engineering and Technology for more than a decade. We strive consistently to inculcate the effective and quality skills which gets reflected in excellent academic performance of students.

In tune with these sincere intentions, we are planning to organize a one-day workshop on 'Outcome Based Education' which is intended to make teaching staff more keen to emphasis on the outcomes of the engineering education. The date of 20th July 2022; Wednesday is planned for this workshop and shall begin from 9: 30 am, and to be continued for the day ahead. The entire Teaching staff from Engineering and Diploma college will be participating in this workshop and they are to be elaborated for the effective mapping of educational outcomes.

Sir, you being the acclaimed expertise in this realm, I would like to request you to deliver keynote Speech at the beginning of Workshop. Kindly convey your availability and confirmation for the same.

Thanking You,

Principal

About The Workshop

Outcome-based learning is an educational theory that bases each part of an educational system around goals. By the end of the workshop, we should have achieved the goal. The role of the faculty adapts into instructor, trainer, facilitator, and mentor based on the outcomes targeted.

Dear Sir,

Siddhant College of Engineering, is a pioneer institute known for imparting quality and professional education in the field of Engineering and Technology for more than a decade. We strive consistently to inculcate the effective and quality skills which gets reflected in excellent academic performance of students.

In tune with these sincere intentions, we have organized Faculty Development Program on 8th February 2023; Wednesday at 1 pm with session on 'Research Made Simplified'.

Your long academic career spanning more than a decade and enriched insights into research field will surely prove to be a curtain raiser for our faculties and initiate the will for the same.

All the teaching staff from engineering college will be participating in your session.

Sir, I would like to request you to conduct this session and kindly convey your availability and confirmation for the same.

Thanking You.

Dear Sir,

It is indeed a pleasure to convey my thanks to you for conducting Session on 'Research Made Simplified' at Siddhant College of Engineering, Sudumbare on 8th February 2023; Wednesday.

Sir, the inputs you shared with our teaching staff were immensely enriched by your valuable experience, practical implementation of the theoretical concepts and the evolvement of your research oriented thought process.

The philosophy you elaborated about the simplified process of research, which I am sure, will be beneficial to all our teaching and will also enhance the academic performance of the institute as well.

Thank you once again for sparing time from your busy schedule for contributing towards this workshop and I am assured for our cooperation in future as well.

Subject: Report of Faculty Development Program.

Respected Sir,

The Internal Quality Assurance Cell had organized a faculty development program from 6th to 10th February 2023 for the teaching and non-teaching staff of the engineering college.

This program was aimed to enlighten our staff with the sessions from the academicians from other institutes and our internal faculties as well.

On the 6th February, program began with the first session on Meditation and Yoga. Ms. Tambekar madam elaborated the significance of yoga and pranayama for healthy and energetic mind set. Madam also conducted the practice session and the participants performed the Pranayam.

The second session on Bloom's Taxonomy was conducted by you sir, in this session you elaborated the significance of Blooms levels of Teaching and learning.

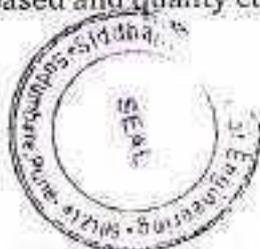

Dr. Padmakar Deshmukh from PCCOE, started the second day of 7th February with the session on Effective Teaching-Learning Methodology. Dr. Deshmukh sir; a stalwart academician with rich experience in teaching, explored the methodologies for the teaching learning. He also provided some practical tips to make students curious and proactive in engineering learning.

Dr. Mahesh Bhong from Indira College of Engineering, engaged two sessions on research Made Simplified. These sessions were aimed to remove the taboo surrounding the research activities.

On the third day of February the 8th program started with a very interactive session of stress Management by Mr. Sunil Mirchandani sir. He is a professional trainer and motivational speaker. All the participants enjoyed the session and were relaxed by his session and the activities performed. The non-teaching staff in particular enjoyed the session.

The next two sessions were engaged by Dr. Sunil Ingole; Principal Indira College of Engineering and Management, Parandwadi, about The Vision and Mission of the Institute. In his sessions sir elaborated the significance about correct formation of Vision and Mission for the institute and for the individual departments as well.

On Thursday the 9th February, Prof. Rahul Kulkarni, started the day with his session on Effective Mapping of Co's and Po's followed by the next session by Prof. Swati Deshmukh from Siddhant College of Pharmacy about the Role of I Q A C in Quality Driven activities in the institute. Both of these experts elaborated on outcome based and quality culture in the organization.

On the final day of the program i.e on 10th of February, Dr. U. V. Shinde; F E Coordinator, conducted sessions on Effective execution of Academic calendar in his two sessions he vividly shared the technics for effective implementation of the academic activities.

Sir, the overall program has been a success beyond our expectations. As we organized these sessions at the very beginning of the semester we, very certainly, are hopeful that inputs received from the program will be reflected in the academic and administrative culture of our institute.

I am very much thankful to our Management for organizing this program, also to you in person for providing valuable guidance and appropriate instructions regarding this program.

The organizing team also did the fantastic job to make this event a happening one.

Finally I humbly suggest that such programs be organized regularly to keep the spirit of our teaching and non-teaching staff at high level.
